updated 3/22/17

PROGRAM DESCRIPTION:

The Summer 2017 GOG Foundation, Inc. Educational Symposium is titled, **“Management of *Not So Rare Gynecologic Tumors*”** with noted Oncologists and Scientists serving as speakers and moderators. The targeted audiences are members and non-members of the NRG research teams include: Gynecologic Oncologists, Medical Oncologists, Radiation Oncologists, Pathologists, and other MDs engaged in oncology research and/ or clinical practice; Oncology Nurses, Nurse-practitioners, and other interested Allied Health professionals. The speakers will focus their presentations on the need to recognize recent innovations and advances in both translational science and clinical management of these “not so rare” tumors.

LEARNING OBJECTIVE:

At the end of this activity, participants will be able to:

- Recognize the need to individualize management of these “*not so rare*” tumors.
