### How will you participate in the meeting?

**Virtually:** Individuals who are not traveling to the NRG meeting and do not require a name badge should register as a “**virtual attendee**”. Only virtual session offerings will be available to this group on the registration platform.

**In Person:** Individuals who are attending the NRG meeting in person and require a name badge. In-person attendees will have access to all in person *and* virtual sessions as part of their registration.

Be sure to review the overall meeting agenda on the NRG website to confirm virtual session offerings, as these may change each meeting.

4

## Complete Registrant Profile

NRG collects some basic demographic information to confirm member status and attendance type.

5

## Register for Sessions

After completing your registrant profile, you will be brought to the overall list of sessions for the NRG meeting.

Individuals that registered as Virtual Attendees will be shown all sessions with a virtual meeting component available. All in-person sessions will not be available for registration.

Individuals that registered for as In Person Attendees will see all sessions.

**Closed and invite-only sessions** are not available for registration. Please reach out to the session chair and/or support staff to request a calendar invitation for closed sessions.

All registrants can go back and edit their registration to add/remove sessions to their personal agenda, even after completing registration.

6

## Registration Summary

After selecting sessions for your personal agenda, you will be taken to the registration summary page to finalize your registration.

Your subtotal will depend on whether you registered for any sessions with fees associated and your member type. Please see the fee chart below for more information.

If your registration information looks correct, complete your registration.
