## Protocol Support Committee/Continuing Education Roundtables- Breast Protocols: NRG-BR008/HERO (In-person only)

Thursday, July 25, 2024 1:30 - 3:05 pm MT

This roundtable session is provided for any personnel working on or interested in the BR008 / HERO study protocol. Nurses, CRAs, Regulatory, Data Managers and anyone else is welcome to come to this informal forum to ask your clinical or data questions as well as exchange ideas for getting the message out about the BR008 protocol throughout your site, institution, and networks.

## Protocol Support Committee/ Protocol Spotlights (In-person & Virtual) NRG-BR008 presented by Melissa Mitchell, MD, Co-Principal Investigator

Friday, July 26, 2024 10:30 - 11:45 am MT

Attend this session for a quick overview of the importance of the BR008/HERO study.

## NRG-BR008 Workshop (In-person only)

Saturday, July 27, 2024 8:00 - 9:00 am MT

Join the BR008 protocol investigators, Lior Z. Braunstein, MD and Melissa Mitchell, MD to discuss key approaches to discussing the protocol with physicians from different disciplines and patients as well as other questions you have about the HERO study.
