

SUMMER HYBRID SYMPOSIUM

Targeted Therapies - Focus on the Future

THURSDAY, JULY 21, 2022 – 8 AM TO 12 PM - CDT
NRG ONCOLOGY SUMMER 2022 MEETING
HYATT REGENCY CHICAGO, CHICAGO, ILLINOIS
(IN-PERSON AND VIRTUAL)

Program Chair: Roisin O'Cearbhaill, MD - Co-Chair: Katherine Fuh, MD, PhD

Program Description

The Summer 2022 Hybrid Educational Symposium will be held in person and virtually and is titled Targeted Therapies – Focus on the Future with noted Oncologists and Scientists serving as speakers and moderators. The targeted audiences are members and non-members of the NRG research teams to include: Gynecologic Oncologists, Medical Oncologists, Radiation Oncologists, Pathologists, Patient Advocates and others engaged in oncology research and/or clinical practice; Oncology Nurses, Nurse-practitioners, Physician Assistants, and other interested Allied Health professionals. The speakers will focus their presentations on 1) appropriate settings to utilize currently available targeted therapies, 2) current clinical trials of novel targeted therapies, and 3) promising future approaches in targeted therapies.

Learning Objectives

Following this activity, participants will be better able to:

- Recognize appropriate settings to utilize currently available targeted therapies
- Outline future clinical trial opportunities for patients
- Distinguish current and promising future approaches to targeted therapies
- Manage toxicity related to targeted therapies

Continuing Education

Accreditation Statement The GOG Foundation, Inc. is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide Continuing Medical Education for physicians.

AMA PRA Category 1 Credits™ The GOG Foundation, Inc. designates this live internet activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
