**Jeffry Simko, MD, PhD**  
Biospecimen Bank PI  
*UCSF Health*  
*July 01, 2023*

# WVOCA Funds Health Equity Fellowship Award

The West Valley Ovarian Cancer Alliance (WVOCA) recently pledged to donate \$25,000 to NRG Oncology to be split between the NRG Health Equity Fellowship Program. This generation donation is delivered on top of WVOCA's \$38,000 donation from April 2022.

Donations were received through the Annual Teal Ribbon Golf Tournament, a charity event hosted by WVOCA.

**Laurel Pracht, BS**

Founder, Board Chair of WVOCA  
NRG Patient Advocate (CPC, CCDR)  
NCI Steering Committee (QoL)

# Health Equity Underserved Minority Investigator Program

- Started in 2021 by NCORP PI Joan Walker to train early-stage investigators in the NRG Oncology system through a structured mentorship experience with an emphasis on recruitment of researchers from underrepresented groups.
- 2-Year Fellowship with support of \$25,000 per year
- Funding obtained via private donations
- 3 Fellowships awarded that started in 2022
- 3 More awarded to start in 2023.

# Health Equity Underserved Minority Investigator Program

- Request for applications for 2024 will be issued July 2023

Applications Submission: September 2023

Awards Announced: November 2023

Award Period: 1/1/2024 – 12/31/2025

- Number to be awarded is dependent on funding

# Committee Spotlight

# Diversity, Equity & Inclusion Committee

- Committee established by NRG Oncology in January 2023
- To facilitate and integrate diversity, equity, and transparency to organization wide activities and to promote a culture of inclusivity and belonging for all members in accordance with the mission of NRG Oncology

# DEI Committee Update

- **DEI Consultant Selection: Pope Consulting**
  - **Launching programs beginning Fall 2023**
    - Fall 2023: Leadership preparation and education
    - Winter 2023: Opportunities for focus group participation will be announced to the membership over email
- **Survey Tool Selection: University of Chicago Survey Lab**
  - **Anticipated survey period: August-September 2023**
    - Intended Recipients: All individuals on the NRG roster
    - Combination of demographic and DEI questions
    - Goal(s) of survey:
      - Describe current demographic composition of NRG Oncology
      - Gain insight into barriers and opportunities for DEI growth and development across NRG Oncology
      - Provide de-identified, aggregate baseline data as a reference for future progress assessments

# Protocol Support Committee (PSC)

## *Recruiting New Members*

- **Primary functions**
  - Provide support and quality control of protocol-related activities
  - Education & training of NRG Oncology members on relevant topics
  - Mentorship
- **The PSC includes 2 subcommittees**
  - Clinical Trial Nurse Subcommittee (CTN)
  - Clinical Research Associate Subcommittee (CRA)
- **Working Groups:** Education & Training, Mentorship, Protocol Review, Quality Control and Communications

**RFA Window will occur during the Fall. Always refer to the NRG email blasts for more information and specific dates.**

# Support Committee (PSC) Executive Team

Contact any  
Executive Team  
member for more  
information.
