

# CELEBRATE!

## General Session

**Fri., Feb. 8, 2019 1-2pm**

Join us at the NRG Oncology General Session on Friday, Feb. 8, 2019 as we reflect on our 5 years as NRG Oncology, talk about our future, and celebrate our success! We will also honor the NRG legacy of Dr. Philip DiSaia, as well as the birthdays of our legacy groups and their contributions to NRG Oncology.

## Welcome Reception

**Fri., Feb. 8, 2019 6-8pm**

This February, the Welcome Reception isn't just a place to catch up with your NRG friends and colleagues! Birthday cake is on the menu, as well as informal remarks in honor of our success!

**2012:  
Concept for NRG  
Oncology is born**

---

**2014:  
NRG Oncology is  
funded and accrues  
our first patient**

---

**2014-18  
NRG members accrue  
over 15,000 patients,  
NRG runs 87 trials**

---
