---

A BR003/B-55/BR004 workshop will be held on Friday, July 13, 2018, from 10:00 am -11:00 am during the NRG Oncology Semiannual Meeting. This workshop will provide a brief overview of the protocols, discuss trial updates for BR003 and B-55, and answer questions from the audience. Please plan to attend to learn more about the BR003, B-55, and BR004 trials.

If you have clinical questions about the BR003, B-55, or BR004 trials, please contact the Clinical Coordinating Department at (800) 477-7227 or [ccdPGH@nrgoncology.org](mailto:ccdPGH@nrgoncology.org).
